ADVENTURE, FUN, QUALITY!!

Learning to dive isn't difficult, but like any activity worth doing, it requires some time and effort. While taking the PADI Open Water Diver course with Diver's Wearhouse, you'll enjoy three phases: Knowledge Development, Confined Water Dives in our warm PRIVATE 92°F (31° C) pool and exciting Open Water Dives.

Why choose DIVER'S WEARHOUSE? Choose us for the quality of our training, the individualized attention you'll receive & the warm comfortable environment in which you'll learn your new diving skills. Diver's Wearhouse is a P.A.D.I. 5-star Instructor Development Center. That means we offer you dive programs to fulfill your educational goals from entry-level training up through instructor-level certifications.

We believe quality in-water time & a comfortable environment results in a higher level of education with more enjoyment for you. Our pool class size is held to a maximum of 5 students and no other programs or classes are in the pool during your training. Pool wetsuits are available, at no extra charge, for added comfort. All your scuba equipment remains on our pool deck so you don't have to carry wet gear back to the store late at night.

With more than 30 years of experience in the diving industry and the most experienced instructors, DIVER'S WEARHOUSE guarantees fun, excitement and the best quality equipment and training available.

Learning to dive with Diver's Wearhouse is as easy as 1, 2, 3!

1. You'll need a Student Kit ...
*You'll complete Knowledge Development on your own, reading each of five sections of the PADI Open Water Diver Manual and watching the corresponding section of the PADI Open Water Diver Video (which also previews skills you'll learn). If you like learning with a personal computer, you can also get the Open Water Diver Manual and Video together as an interactive CD-ROM. Also included in the kits are your Dive Tables and Log Book, for just...

2. Choose a course ...
A new Open Water course begins every few weeks. We have 3 convenient scheduling options -

- 1 week duration,*
- 2 weeks duration or*
- 3 weeks duration*

which will complete your knowledge development & your confined water training. You'll briefly review what you studied in each section of your student kit with your instructor and take a short quiz to be sure you're getting it. At the end of the course, you'll take an exam that makes sure you've got all the key concepts and ideas down. Then it's off to the pool. Here you'll learn everything from setting up your gear to how to easily get water out of your mask without surfacing. You'll also practice some emergency skills, like sharing air - just in case. Plus, you may play some games, make new friends and have a great time.

We have 3 price points to suit your needs and your budget.
